

Join Us For A  
**SPOTLIGHT ON STUDENTS**  
November 7 & 8  
8:30–9:30 a.m.

Parents are invited to spend 45 minutes in their student's classroom to observe the standards-based, differentiated instruction used at Liberty. We hope this experience will give parents a better understanding of their student's academic life and enable more focused conversations at home.

We will be meeting in the church. Parents with students in multiple grades are invited to attend both days.
